

PRIVACY POLICY

Last updated: November 24, 2024

Voventech ("us", "we", or "our") operates the Endam mobile application (hereinafter referred to as the "Service").

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

INFORMATION COLLECTION AND USE

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected:

1. Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Email address
- Cookies and Usage Data

2. Usage Data

When you access the Service with a mobile device, we may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile device unique ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browser you use, unique device identifiers and other diagnostic data ("Usage Data").

3. Image Data

Our Service allows you to upload images of your outfits for analysis. These images are processed by our AI algorithms to provide you with feedback. We may store these images temporarily to provide the Service. We do not use your images for any other purpose without your explicit consent.

USE OF DATA

Voventech uses the collected data for various purposes:

- To provide and maintain the Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so
- To provide customer care and support
- To provide analysis or valuable information so that we can improve the Service
- To monitor the usage of the Service
- To detect, prevent and address technical issues

TRANSFER OF DATA

Your information, including Personal Data, may be transferred to – and maintained on – computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

SERVICE PROVIDERS

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

- Amazon Web Services (AWS): Used for backend infrastructure and AI processing.
- RevenueCat: Used for managing subscriptions and in-app purchases.

- Google AdMob: Used for displaying advertisements.
